Profile

- Enthusiastic final-year Computer Science and Information Technology student (graduating 2026) with strong foundations in software development and AI-based systems. Passionate about building scalable and intelligent applications.

Education

- **Bachelor of Technology in CSIT (Cloud and Edge Computing)** *2022–2026*
  KL University, Guntur, Andhra Pradesh CGPA: 8.94
- **Intermediate (MPC)** *2020–2022*
  Sri Chaitanya Junior College, Machilipatnam GPA: 6.05
- **Matriculation (10th Class)** *2019–2020*
  Narayana High School, Machilipatnam GPA: 10.0

Projects

- **Bus Ticket Booking Application (MERN Stack)**
  - Built a full-stack ticket booking platform for searching and reserving bus tickets.
  - Implemented secure user authentication and booking management system.
  - Integrated REST APIs for ticket availability and payment workflow.
  - Tech Used: React.js, Node.js, Express.js, MongoDB.
- **Enterprise Resource Planning – (ERP) Java EE**
  - Developed a Java EE–based ERP platform to manage organizational resources.
  - Implemented modules for user management and payment tracking.
  - Designed backend services for handling transactions and system operations.
  - Improved scalability using modular backend architecture.

Experience

- **Infosys Springboard Internship 6.0** *NOV–JAN 2026*
  Artificial Intelligence / NLP Online
  - Developed **Dynamic_AI_Text_Analysis_Platform**, an AI-powered text analytics system.
  - Implemented NLP techniques including preprocessing, sentiment analysis, and classification.
  - Built and evaluated machine learning models using Python.
- **AICTE Virtual Internship** *APR–JUN 2025*
  Data Engineering Online
  - Worked on ETL pipelines, SQL, Python, and cloud datasets.
  - Gained exposure to data modeling and ingestion pipelines.

Technical Skills

- **Languages:** C, Java, Python
- **Web Dev Tools:** React.js, Node.js, GitHub, HTML, CSS
- **Databases:** MongoDB, MySQL
- **Coursework:** Operating Systems, DBMS

Certifications

- Red Hat Certified Enterprise Application Developer
- Azure AI Fundamentals
- Oracle Cloud Infrastructure 2025 Architect Associate
